Notice of Photography and Video Recording

By participating in TC United (or TCUFC or TCU) activities, events, or matches, you acknowledge that you are entering an area where photography, audio, and video recording may occur.

1. Purpose of Use: TC United reserves the right to use any photograph or recording taken on our fields or during club events for promotional, educational, or informational purposes. This may include, but is not limited to: websites, social media, newsletters, and brochures.

2. Privacy and Safeguarding: To ensure the safety of our youth players, TC United strictly prohibits the inclusion of full names or sensitive personal information alongside images of minors without express written consent.

3. Right to Opt-Out: We respect your privacy. If you would like a specific image removed from our digital platforms, please contact our Executive Director at ed@tcufc.ca

4. Personal Photography: While we encourage parents to capture memories, please be respectful of other families. We ask that you avoid taking close-up shots of children other than your own and refrain from posting images of other children on public social media without their parents' permission.
